

Discover Dalarna!

Would you like to get to know new people and environments in Dalarna? Then the activity “Discover Dalarna” might be something for you! A few times each year we organize activities for employees at our member companies. The activity is primarily for those who have recently moved to Dalarna, but if you have lived here for a long time and would like to meet new people, you are just as welcome!

Easy hiking

On **May 6**, we will take a scenic walk together in Orsa. A local guide from Korpen Orsa will join us and show us the surroundings. We will start by having coffee and a sandwich at Orsa Kaffestuga. The gathering will be held in Swedish. Welcome!

Date: May 6
