

# Discover Dalarna!

Would you like to meet new people and explore new places in Dalarna? Then the activity “*Discover Dalarna*” might be just right for you! A few times a year, we arrange activities for employees at our member companies. The activity is aimed at those who have recently moved to Dalarna, but if you’ve lived here for a long time and want to meet new people, you’re just as welcome.

On May 26, we will visit the Carl Larsson House in Sundborn, just outside Falun, and take part in a guided tour. The artist couple Karin and Carl Larsson were major celebrities, both through their artistic work and their way of living — in many ways far ahead of their time. The Carl Larsson House is one of Sweden’s most famous artist homes. The gathering and the guided tour will be held in Swedish.

**Date: May 26**

**Time: 4:30–7:00 PM**

**Location: Carl Larssons väg 12,  
Sundborn**

We will start by having coffee and a sandwich and socializing. Please specify any dietary requirements or allergies. Also indicate if you need a ride or if you can drive and offer seats to others attending the event

Send your expression of interest to [sigrid.kahr@rekryteringslots.se](mailto:sigrid.kahr@rekryteringslots.se). you will then receive a confirmation if you get a spot at the event.
